

## PADI PRO COURSES

**PADI Divemaster Course** take the first step up the professional ladder. This course will allow you to pass on both the love and enthusiasm towards Diving that was generated in you by your instructor. Here is the change to prepare your self for the privileged world of teaching Scuba Diving. Subway takes a personal involvement in every step you make and if your goal is to become a PADI Instructor then we will help you reach it. Course takes Two weeks to complete (Intensive) **Price: €560.00**

**PADI Assistant Instructor Course** is designed to build upon the Divemasters ability to organise and supervise diving activities while concentrating on teaching skills. Through independent study, classroom sessions and practical application, you will learn to conduct effective Teaching Presentations and some of the PADI programmes. At such a stage on the leadership ladder, it is strongly recommended to discuss in full the duration and logistics of this course. Course takes three days to complete **Price: €513.00**

**O.W.S.I** A PADI Assistant Instructor can sign up for this course and become a fully-fledged PADI Open Water Scuba Instructor O.W.S.I. With the knowledge and experience gained from your PADI Assistant Instructor Course, you should find that the OWSI Course continues your Dive Education where you left off. You will find that you will brush up your skills both in knowledge Development Presentations and in your Confined/Open Water Dives. **Price: €583.00**

**PADI Instructor Development Course (IDC)**, the two steps to becoming a PADI Open Water Scuba Instructor are to complete an IDC and pass an Instructor Examination (IE). You are guided by a first class team of staff who will help you develop your abilities and practice teaching skills - first 3 days AI Course, 4 days OWSI Course **Price: €699.00**

PADI

5STAR INSTRUCTOR DEVELOPMENT CENTRE

NATIONAL GEOGRAPHIC™  
DIVE CENTRE

**Scuba Diving in Malta** is considered the best diving in the Mediterranean. The Maltese Islands are blessed with warm temperatures all year round, clear unpolluted seas, with underwater visibility in excess of thirty metres. Hundreds of Kilometres of Coastline, many of which are still unexplored, make the Maltese Archipelago a favourite for adventurous divers.

**For the complete beginner** learning with Subway Dive Centre is easy and fun. Malta offers the ideal conditions to learn, and with a PADI Five Star Instructor Development Centre taking care of all your needs, success is guaranteed...
